IMPROVING MODERN POLICE AND COMMUNITY TRUST

TOGETHER WE CAN MAKE A DIFFERENCE

IMPACT is comprised of a diverse group of individuals from the local community, including the faith-based, education, and business community; government officials; and law enforcement.

IMPACT offers a means for building trust and strengthening the relationships and partnerships between law enforcement and the community, in order to improve the overall quality of life in Montgomery County.

Through continuous, open and productive dialogue between Police and the Community it serves our Goal is to:

- Foster trust and respect for law enforcement,
- Encourage community involvement and support, and
- Identify community-based solutions to problems associated with implicit bias.

If you are interested in attending a meeting. The IMPACT group meets once a month to discuss ongoing issues and concerns within our community. Call, email, or submit your information on our website contact page to find out the next meeting date.
